Subject: PG&E's FIT
Contracts/Website

Sean:

I followed up to verify that our FIT website is up-to-date. The website is current, excluding one E-SRG deal that was executed on 9/22/10 with Blake's Landing Farms. This new deal will be added to the website shortly. In total, four AB1969 contracts have been executed in 2010. Please let me know if you have any additional questions.
