Subject: Process to request ED early opinion on custom measure/projects

Hi All,

In the past, and more so recently, the utilities have sought ED's opinion on various custom measures/projects for which they have been unsure of the approach that ED might use in evaluating such projects. ED provided early opinions for several projects as a courtesy to the utilities. Each of these early opinion projects presented different Evaluation, Measurement and Verification (EM&V) or Energy Efficiency (EE) policy issues that utilities have questions about. The utilities have been emailing ED staff requesting this early opinion. Staff requests that IOUs now make their request for ED early opinion using Basecamp. The attached

document describes this process.

Athena/Grant: You recently submitted an email request to me for an opinion on a project. Please upload this request and project documentation to Basecamp.

Thank you.

Peter
