Sure, I'll try to set something up. Are there times that would work well for you?

Sid, would it be possible for me to have a quick conversation with Leeka Kheifets and you? We're getting bombarded over here with "peer-reviewed studies" cited by the EMF Health Network like this one:

<http://emfsafetynetwork.org/wp-content/uploads/2009/10/sage.pdf>

and I just want to ask Leeka how she thinks
of these things herself, and how other professionals in the field
do.
