Yes; I spoke with Joe Ronan and Dan Richard today and told them that I would seek internal approval of the waivers tomorrow and try to get a decision by next week. They seemed fine with that timeline. I still need to talk with Peter and Chris about this, but I don't anticipate a problem.

Tom, I'm attempting not to bother Brian while he's on vacation. Are you up on the discussions with Calpine and GWF on the waivers? I just wanted to check in with someone on current state of play.
