Subject: Re: Draft briefing materials on settlement

Bill, my only comments are on Page 10, dealing with the customer bill credits. It currently reads as follows:

- Bill credits to 5 customers
- [Redacted] Moss Landing) and 4 Nor Cal Gen Coalition members
- \$2.8 million/year
- Funded primarily by other customers, partially by PG&E shareholders

I would change it to read as follows:

- Continuation of bill credits to 5 customers
- [Redacted] Moss Landing) and 4 Muni power plant owners
- \$2.8 million/year total
- Funded by backbone customers, backbone level customers and PG&E shareholders

Joe

Gentlemen:

Attached for your review and comment are some draft slides for Commissioner/Advisor briefings. Given that we will Brief Comm. Simon next Thursday it would be helpful if you could return your comments by mid day next Tuesday.

I will try to set up a brief call to discuss who should cover what material.

Thanks.

Bill
