Subject: Draft briefing materials on settlement

<<2010 09 02 Gas Accord V - Simon_v3.PPT>>

Gentlemen:

Attached for your review and comment are some draft slides for Commissioner/Advisor briefings. Given that we will Brief Comm. Simon next Thursday it would be helpful if you could return your comments by mid day next Tuesday.

I will try to set up a brief call to discuss who should cover what material.

Thanks.

Bill
