Subject: RE: Memory Book for Jacki's family

Ramesh, my thoughts for the Memory Book. Thanks for giving me the opportunity.

Dave

We at PG&E Core Gas Supply are grieving for the loss of a friend and colleague and praying for Jacki's family in their time of profound grief. It was truly a pleasure working with her through the years. Over the years we appreciated Jacki's thoughtful defense of California's core gas customer interests and her professional and friendly approach to a tough job. Personally I always felt Jacki helped make us better at what we do, buying reliable gas supplies and managing the gas pipeline capacity and storage assets in the best interest of our gas customers. We truly felt in partnership with Jacki and DRA in that endeavor.

Jacki will be missed by many people in our industry and by the core gas consumers of California.

Dave Clare
