Subject: SunPower HR III Workpapers

Hi Maggie,

Hope you had a good weekend. I received the Sunpower HR III (AL 3661-E) CD last week. I was going through the files and noticed that there wasn't a file for Bid Analysis workpapers. Could you send them to me as I am reviewing the AL this week. Also, could you please make sure to integrate the net market value changes that we discussed for the Coram project. I will need that information when I am making my analysis. Thank you.

Kind Regards,

Niki
