Subject: RE: Extension of IOU PPM Submittal until Thur 2/30

Jeanne, Simon and Zeny,

On behalf of the IOUs, please find attached our cover letter to the accompanying PPM files. There are 2 sets of PPM files, one that contains all the redlined versions (the IOUs provided their responses on the versions provided by ED staff after the 2-day PPM meetings) and a clean version that removes all the red-lines to facilitate reading.

I reiterate our offer to meet with the three of you following our submittal to address any questions/issues. We are committed to providing a decision/resolution at that time to close the loop. We believe this would minimize issues during the AL Resolution process for us.

We appreciate this opportunity to provide feedback on ED's proposed PPMs and look forward to continuing work on finalizing these PPMs.

Regards,

Athena

2/30

All,

Zeny and I just talked after  
Athena and I talked (for a second time). ED is OK with a one day extension  
until Thur, 9/30.

Best,  
Simon

Simon, I realized after I spoke to you  
that we may not have been on the same page about which Monday we were  
referring to as my intent was to ask for the Friday extension first and then  
see if you were interested in a face-to-face after that. That is why I put  
down the date in my note so we would have the same point of reference.

We are expecting the PM staff to complete their individual program  
ppms by Sunday. To allow for adequate internal review we are asking for the  
submittal to go to Friday (an additional 2 days). The follow up meeting would

happen if you thought that would be helpful in closing the loop on issues you identify after we submit the response.

I apologize for the misunderstanding and I hope I have clarified our request.

Thank you for the follow-up.

Athena,

When we spoke today at noon, I understood you to be asking something very different. Here is what I heard: The IOUs would submit their response this Monday (9/27), IOU mgmt folks would meet with ED mgmt in SF this Wednesday (9/29), and make real-time decisions, as necessary, at that time. When we originally talked before the PPM meetings, an IOU response by this Wednesday (9/29) was doable. I was/am potentially open to this.

It sounds like you are (1) asking for an extension until 10/1 and (2) asking for additional dialogue at the IOU-ED mgmt level after the extended deadline.

Do I understand what you are now

asking correctly? If so, what has changed?

Best,

Simon

PPM Submittal

Jeanne, Simon, and Zeny,

Monday and Tuesday PPM  
meetings were very productive with all our groups. As of now  
all the IOU  
teams are continuing meetings to develop and finalizing  
responses to complete  
the templates.

After they complete their work, our Sr. Mgt will  
need time to review and approve our response. Therefore we  
are  
requesting that we submit our complete response by Friday next  
week  
(10/1). We (Shilpa, Don and myself) also offer to meet with  
the three of  
you following our submittal to address any questions/issues.  
We are  
committed to providing a decision/resolution at that time to  
close the  
loop. We believe this would minimize issues during the AL  
Resolution  
process for us (not speaking for other parties).

On behalf of Shilpa  
and Don, we appreciate your kind  
consideration.

Regards,
