We are working on responses to the questions she asked at the hearing, but have not completed them. We are targetting late next week to get information to her office.

As an aside, I followed up with her staff the day after the hearing, and they did not provide a date by which the Senator was looking for responses.

Hope this helps.

Regards,
Melissa

Did you guys send a follow-up letter or something to Sen Boxer, after last week's hearing? I haven't yet, but I need to, I think. She asked me a few questions I couldn't answer there.
