NOTICE OF INTENT TO FILE A GENERAL RATE CASE FOR TEST YEAR 2012**

PLEASE TAKE NOTICE THAT on October 12, 2010, the Division of Ratepayer Advocates indicated by letter to the Chief ALJ of the California Public Utilities Commission (Commission) that it recommended the acceptance of San Diego Gas & Electric Company's (SDG&E's) Notice of Intent (NOI) to file a General Rate Case (GRC) for Test Year 2012.

On October 15, 2010, SDG&E received an email from the office of the Executive Director of the Commission stating that no further action was necessary. Accordingly, consistent with the Commission's Rate Case Plan, SDG&E is providing to all parties to its most recent GRC this Notice of Availability of its Notice of Intent (NOI) to file a General Rate Case for Test Year 2012. The NOI consists of the Notice itself, a draft Application, draft prepared testimonies organized by exhibit, and supporting workpapers. A testimony exhibit list is included in the draft Application. The entire NOI is composed of several thousands of pages. Pursuant to Rule 2.7 of the Commission's Rules of Practice and Procedure, SDG&E will, upon request, provide a copy of the entire NOI or any part thereof. To expedite service of the requested materials, SDG&E asks that document requests be submitted in writing to Keith W. Melville, at the address listed below.

Respectfully,
