Thanks Brian. Actually, I just talked to Van. It was a great panel and it is really sad that the attendance was so low!

Sepideh - we have 4 people attending that I know of who are experts in the area. Unfortunately, the short notice that was given for this meeting prevented us from sending more people.

presence in today's green job event.

Hi Brian,
I am shocked that with your company's commitment to AB 32, PG&E just sent 2 people to the event!!
