Subject: Re: San Bruno

CEO's are easier to bully than mere VPs.

Brian, can you help set up a couple of meetings for Frank and me? We'd like, Monday if possible, to come over to PG&E and meet with Kirk Johnson on winter gas contingency plans for the Peninsula, and then with Chris Johns on San Bruno issues generally, including whether to rebuild the ruptured 132 segment in the same place. Any time after 11 would work for us. Thx.
