To PG&E,

One other thing, the Supplemental AL should also replace in its entirety and supercede the original AL filed September, 28, 2010. Let me know if you have any questions.

Subject: San Bruno bill relief Supplemental AL items
Importance: High

Attached is a list of items that should be included in the Supplement Advice Letter (AL) to PG&E AL 3155-G/3739-E (I discussed this with [Redact] previously). This is not necessarily an exhaustive list; PG&E should also discuss any other items in the Supplement AL necessary to fully describe the bill relief program. Please let me know when you anticipate filing the Supplemental AL; it should be done as soon as possible. Call me with any questions. Thank you.
