Subject: DAWG -- Next Meeting 11/9/10 @ CPUC

### **Demand Analysis Working Group (DAWG)**

SAVE THE DATE:

Our next meeting will be **November 9, 2010, 10am-4pm**, at CPUC in San Francisco.

I'm calling this agenda "A Celebration of Demand Forecasting."

We will cover:

- How demand forecasts in CA work (Energy Commission, IOUs, POUs)
  - Process
  - Regulatory implications (including procurement)
  - Issues
- and importantly: Implications of demand-side resources in forecasts
  - Inclusion of demand-side resources
  - Why they matter
  - Issues

This will be a great opportunity a) for the demand forecasters in our group to begin work ahead of the 2011 IEPR process, and b) for the others in our group to understand the demand forecasting process and how the demand-side resources (EE, DG) affect the "bottom line."

Actual agenda, etc. to be distributed soon.

Thank you.

C.
