Subject: DRAFT - Joint CCA Workshop Report

CCA/EE Workshop Participants:

Attached is the Draft Joint CCA Workshop Report for your review and comments. The attached draft

was prepared and reviewed by representatives of City and County of San Francisco, Marin Energy Authority, San Joaquin Valley Power Authority, PG&E and Southern California Gas Company. The document should be considered a work in progress and does not represent the final approval of the parties management.

We propose to include an edited version of WEM's workshop summary as Appendix A to the draft, but were not able to complete the edits to include here. That will come early next week.

Next Steps:

Edits to WEM Summary Monday (10/18)

In order to complete the report we will need your comments by 9 am on Wednesday (10/20).

We have scheduled a conference call on Tuesday (10/19) from 2-3:30 to discuss the draft and substantive concerns. To facilitate that discussion, please provide any substantive comments to parties prior to the call.

Circulate Final Report draft Thursday (10/23)
