Let's make it for 2 hours (9-11AM), since I think Athen and/or Shilpa

I heard this morning that Don was injured in a car accident today. I hear from Michelle that he is generally ok, but has not been checking email.

I'm including his admin (Glenn) to check on his calendar.

Get better, Don.

Hi All,

On second thought, Tuesday 10/12 will not be workable for Zeny and
I.

So that leaves Wed PM, Thur, or Fri AM. Also, I propose we cancel
the Tue 10/12 EE mgmt meeting, and take up any issues that would
be

on the agenda at the PPM meeting, whenever it is scheduled.
Thoughts?

(Note: Jeanne will be on vacation, so Zeny and I will represent
ED.)

draft resolution

Athena, Don, and Shilpa:

We are still in the process of reviewing your response to ED's preliminary proposed PPMs, as modified for any consensus reached at

September 20-21 PPM meetings. We are encouraged that this collaborative process appears to be working well. Our review of the

IOUs response should be complete by the end of the week.

We are willing to meet with you (just yourselves), as you proposed in

your September 30, 2010 transmittal memo. Our understanding is that

this would be an in-person meeting here in SF. Please clarify, if not. We think that 3 hours should be sufficient to discuss any remaining points of disagreement.

Here are some possible times to meet next week:

Tue, 10/12 - 2-5PM (Note: this would tag onto our monthly EE mgmt meeting scheduled 2-3PM)

Wed, 10/13 - Anytime (Simon has a 1-1:30PM meeting, but could

reschedule if necessary)

Thur, 10/14 - 9AM - 1PM

Fri, 10/15 - Anytime

Please let us know asap, so that we can block off our calendars.

Thanks!

Jeanne, Simon and Zeny,

On behalf of the IOUs, please find attached our cover letter to the accompanying PPM files. There are 2 sets of PPM files, one that contains all the redlined versions (the IOUs provided their responses on the versions provided by ED staff after the 2-day PPM meetings) and a clean version that removes all the red-lines to facilitate reading.

I reiterate our offer to meet with the three of you following our submittal to address any questions/issues. We are committed to providing a decision/resolution at that time to close the loop.

We believe this would minimize issues during the AL Resolution process for us.

We appreciate this opportunity to provide feedback on ED's proposed PPMs and look forward to continuing work on finalizing these PPMs.

All,

Zeny and I just talked after Athena and I talked (for a second time). ED is OK with a one day extension until Thur, 9/30.

Simon, I realized after I spoke to you that we may not have
been on the same page about which Monday we were referring
to
as my intent was to ask for the Friday extension first and
then
see if you were interested in a face-to-face after that.
That
is why I put down the date in my note so we would have the
same
point of reference.

We are expecting the PM staff to complete their individual
program ppms by Sunday. To allow for adequate internal
review
we are asking for the submittal to go to Friday (an
additional
2 days). The follow up meeting would happen if you thought
that
would be helpful in closing the loop on issues you identify
after we submit the response.

I apologize for the misunderstanding and I hope I have
clarified our request.

Thank you for the follow-up.

Athena,

When we spoke today at noon, I understood you to be asking
something very different. Here is what I heard: The IOUs
would submit their response this Monday (9/27), IOU mgmt

folks
would meet with ED mgmt in SF this Wednesday (9/29), and
make
real-time decisions, as necessary, at that time. When we
originally talked before the PPM meetings, an IOU response
by
this Wednesday (9/29) was doable. I was/am potentially
open
to this.

It sounds like you are (1) asking for an extension until
10/1
and (2) asking for additional dialogue at the IOU-ED mgmt
level
after the extended deadline.

Do I understand what you are now asking correctly? If so,
what
has changed?

Best,
Simon

Jeanne, Simon, and Zeny,

Monday and Tuesday PPM meetings were very productive with
all
our groups. As of now all the IOU teams are continuing
meetings to develop and finalizing responses to complete the
templates.

After they complete their work, our Sr. Mgt will need time
to
review and approve our response. Therefore we are
requesting
that we submit our complete response by Friday next week
(10/1). We (Shilpa, Don and myself) also offer to meet with
the three of you following our submittal to address any
questions/issues. We are committed to providing a
decision/resolution at that time to close the loop. We
believe
this would minimize issues during the AL Resolution process
for
us (not speaking for other parties).

On behalf of Shilpa and Don, we appreciate your kind

consideration.
