Subject: RE: extend deadline for input on report to Thurs. 3pm

Hi Sandy,

Thanks for the extension to 10 am Thurs.

Will the IOUs be able to respond to WEM's data request today? It is essential to clarify what

portion of the funds IOUs propose to retain.

Barbara

Barbara and all,

I need time enough time to incorporate comments into the final draft, and then circulate the final report for parties to review and sign off by Friday morning. If you need more time for provide comments, I can extend until tomorrow morning at 10.

Please remember that substantive comments to particular options need to be reviewed with the sponsoring leads prior to them being incorporated into the report. (Beth Rasmussen is backing up Mike Campbell on the CCA proposal).

Also, for clarification parties can be a Joint Party to the report without signing on to a specific option.

Sandy

Subject: extend deadline for input on report to Thurs. 3pm

Sandy and others,

I see no reason why there is a 3 pm deadline today for people to finalize their input and sign on to this report. That is not enough time to work on all the sections. Let's make it 3pm Thurs. instead.

CCA Application Proposal (Option B) to Mike Campbell (mcampbell@swater.org)
PG&E LGP Proposal (Option C) to Sandy Lawrie (slda@pge.com)
All Comments on Draft Report including Appendix A Summary are due to Sandy Lawrie (slda@pge.com) Wed (10/20) by 3 pm

Participants should indicate the sections/options they intend to support (or if they do not wish to sign on to the report). The final consolidated version of the report will be circulated to the Joint Parties for their review and sign-off.

A consolidated Final Draft Report will be circulated to the Joint Parties on Thursday (10/21 as early as possible) for final review and sign-off.

Also included will be a cover letter indicating the Joint Parties to the Report and affirming that a joint party that is a party to the proceeding can still provide comments on 10/29 and/or reply comments on (11/4) per ALJ ruling.

Joint Parties sign-off on the final report by sending an e-mail to PG&E no later than 10 am Friday (10/22) - to Mike Klotz (M1Ke@pge.com) and Sandy Lawrie (slda@pge.com)

CCA/EE Workshop Participants:

Attached is the Draft Joint CCA Workshop Report for your review and comments. The attached draft was prepared and reviewed by representatives of City and County of San Francisco, Marin Energy Authority, San Joaquin Valley Power Authority, PG&E and Southern California Gas Company. The document should be considered a work in progress and does not represent the final approval of the parties management.

We propose to include an edited version of WEM's workshop summary as Appendix A to the draft, but were not able to complete the edits to include here. That will come early next week.
