CCA/EE Workshop Participants:

Thank you for your participation  
on the conference call today. As we discussed, and for those who  
were not able to join the call, here is a recap of the schedule for finalizing/signing  
off on the joint report. Edits should be made to the documents attached  
below, with revision marks showing to avoid version control problems.

The following comments are  
due to the leads on Wed (10/20) by 9 am

IOU Third Party Proposal (Option A) to Sheila Lee (sheila.lee@sce.com)

CCA Application Proposal (Option B) to Mike Campbell (mcampbell@sfwater.org)

PG&E LGP Proposal (Option C) to Sandy Lawrie (slda@pge.com)

All Comments on Draft Report

including Appendix A Summary are due to Sandy Lawrie (slida@pge.com) Wed (10/20) by 3 pm

Participants should indicate the sections/options they intend to support (or if they do not wish to sign on to the report). The final consolidated version of the report will be circulated to the Joint Parties for their review and sign-off.

A consolidated Final Draft

Report will be circulated to the Joint Parties on Thursday (10/21 as early as possible) for final review and sign-off.

Also included will be a cover

letter indicating the Joint Parties to the Report and affirming that a joint party that is a party to the proceeding can still provide comments on 10/29 and/or reply comments on (11/4) per ALJ ruling.

Joint Parties sign-off on the

final report by sending an e-mail to PG&E no later than 10 am Friday (10/22) - to Mike Klotz ( M1Ke@pge.com) and Sandy Lawrie (slida@pge.com)

PG&E will file the Joint

Report on behalf of parties and cc: all workshop participants and service list on Friday (10/22)

Please contact me or the other leads if you have any questions.

CCA/EE Workshop Participants:

Attached is the Draft Joint CCA Workshop Report for your review and comments. The attached draft was prepared and reviewed by representatives of City and County of San Francisco, Marin Energy Authority, San Joaquin Valley Power Authority, PG&E and Southern California Gas Company. The document should be considered a work in progress and does not represent the final approval of the parties management. We propose to include an edited version of WEM's workshop summary as Appendix A to the draft, but were not able to complete the edits to include here. That will come early next week.
