6404767

Energy efficiency finance for
residential customers

9:30 a.m. to 4:00 p.m.

Wednesday, November 17, 2010

-

SCOPE OF WORKSHOPS:

The Energy Division of the California Public Utilities Commission is tasked by Decision 09-09-047 with preparing an assessment and plan that ensures that effective financing instruments for energy efficiency are available to facilitate the achievement of

California's aggressive energy efficiency goals. As part of this effort, Energy Division is hosting workshops on November 16 and 17 to identify new financing strategies or define how best to adapt existing strategies that will most effectively support California's aggressive energy efficiency goals.

The Energy Efficiency Finance workshops will take place from 9:30 a.m. to 4:00 p.m. on November 16 and 17, 2010, in the Courtyard Room at the California Public Utilities Commission's offices in San Francisco. The workshop on November 16 will focus on commercial, industrial, and institutional customers, and the workshop on November 17 will focus on residential customers.

Space is limited, so please RSVP by November 9th to Jennifer Finnigan with "EE Finance Workshops" in the subject line. An agenda and pre-workshop materials will be available on the CPUC web site and emailed to RSVP respondents in advance of the workshop. For additional questions, please contact Jennifer Finnigan at jf5@cpuc.ca.gov or 415-703-2292.
