Subject: Re: R09 11 014, Joint Workshop Report

Sandy,

Please retract the statements you made to MEA and me today - that the report could not be refiled at this point in the process - all the while it was being refiled this very afternoon!

I consider it coercive of PG&E to try to convince MEA and me that refileing the report at this point was "not going to happen."

I ask you again to take the admin paragraph out of the joint report and refile it:

The term administrator is used throughout this Report to generally refer to any party that receives funding for and/or implements EE programs and is not meant to limit parties' interpretation of the term in subsequent comments. (p. 2)

WEM will withdraw our motion if this happens.

Barbara

ALL PARTIES OF RECORD IN R. 09-11-014:

The attached **JOINT WORKSHOP REPORT**, in PDF format, was **Refiled** today, October 27, 2010, with the California Public Utilities Commission in Docket No. R09 11 014 because the filing of October 25 inadvertently showed an incorrect title. Instead of **"Motion of the Joint Parties for Submission of Workshop Report"** the corrected title is in subject line above. Please accept our apologies for any inconvenience you may have been caused. Thank you.
