Oh, I think you should walk a block further away from your office than that, too. Where is good?

yeah, I think picking me up would be better. I also have the directions printed and ready to go. so, see you tomorrow at 3:30. I'll be at the corner of McAllister and Van Ness?

The plan is for 330p at the waterfall at 77 Beale. I think I won't bother checking the two of you in to the building, I'll ask you to meet me at the street. I guess the other option is for me to pick you up -- would that work better?
