She should come we'll have fun!

Do I seem terse? Blame the thumb keyboard.

I think so, but we're fighting right now, so who knows what tomorrow has in store for us.

The plan is for 330p at the waterfall at 77 Beale. I think I won't bother checking the two of you in to the building, I'll ask you to meet me at the street. I guess the other option is for me to pick you up -- would that work better?
