Hello  
Bill,

Just want to say thanks to you and your team at PG&E for the background presentation and material on natural gas financial hedging. While I could not attend the speech in WA, I understand it went well and Comr. Simon very much appreciated the background and I am grateful; it was very helpful for preparing for the Sept 30 speech on Energy Market Regulation conference.

Let's touch base soon,

My  
Best,

Karen
