No. My experts are not available and I need to talk with Paul about a GIS data base issue. I mentioned that to him and he didn't think tomorrow would work but Monday may. can we try for Monday?

Please work with Red on this.

Hi
Bill--

It's on Paul's calendar, but I wasn't sure if you were able to get everyone for this time tomorrow. Julie, Paul, Gerbux and Richard Myers have accepted on our end.

Is it still a go?

Thank you,
