Subject: RE: Second DR regarding SmartMeter deployment

Reza,

I hope you can get the response to the first data request out tomorrow morning, so that I can review it before the TAP meeting.

Tom

Good morning Tom. We are making progress through the various questions but at this point I would not anticipate being able to send you the response back until Wednesday. If we complete the document sooner than that I will be sure to let you know and transmit the response.

Thank you for your patience. Please let me know if you have any questions Reza
