Subject: AMI rates & policy meeting

Sid,

Attached is the draft agenda for the meeting scheduled for November 4 @ 1 pm.

For the question: "How many different rate/pricing options do you have for each class of customer," I have no desire to discuss in detail the answer. What I am looking for is a spreadsheet or some other written document that lists each rate/tariff, separated out by customer class, and, if possible, the number of customers that have subscribed to that option.
