Hi Meredith,

I now have a conflict at 1:30 next Thursday. Could we move this to 3:30-4:30?

Thanks,

Anne

That works great. See you then.

Hi Meredith,

The afternoon of Thursday 10/28 looks good. Let's plan on 1:30-2:30 here at the CPUC, if that still works for you.

Thanks,

Anne

Hi Anne,

Would Thursday at 1:30 or later work? Or Friday at 2:30 or later?

Thanks,  
Meredith

Hi Meredith,

As I think Sean mentioned to you a week or two ago, we'd like to set up a meeting to discuss PG&E's impressions of the Westlands Solar Park and the options that might be available there. Paul is out of the office next week, so we're aiming for the week of October 25. Could you send me some dates and times when you and other appropriate people are available?

Hope this finds you well!

Thanks,

Anne
