Subject: FW: R.07-05-025 Direct Access OIR, Commercial Energy's Request for leave to file a Reply to PG&E's Response to Commercial Energy's Motion for OSC in R. 07-05-

025

Dear ALJ Pulsifer,

Pursuant to Rule 11.1(f) of the Commission's Rules of Practice and Procedure, Commercial Energy respectfully requests leave to file a reply to PG&E's Response to Commercial Energy's Motion Requesting an Order to Show Cause in R. 07-05-025. Commercial Energy further requests that it be allowed to file its reply on or before October 22, 2010.

Commercial Energy believes that PG&E's Response actually validates some of the major arguments raised by Commercial Energy in its motion and would like the opportunity to clarify those points and respond to new issues raised by PG&E.

Commercial Energy believes that this matter should be fully and promptly considered by the Commission to resolve these DA access issues before the second year of the DA reopening commences. To that end, we strongly believe that the record would be enhanced by a short reply to the PG&E Response is warranted.

Thank you.

Michael Day
