Subject: HECA

As you know, the HECA project is of great importance to me, the Governor, and Secretary Chu. I understand a meeting has been scheduled for November 5 of the utilities and HECA. This is too far distant, I think. It is very important Chris Johns attend (and the date of November 5 was chosen because he, apparently, could not meet earlier, even though the parties agreed to meet in SF to accommodate him). Would you try to move the date up a week or so?
