Subject: Re: MEA Billing Changes

I don't think that would be helpful to address our current problem. I'll stipulate to the fact that we have spent a significant amount of money to date and that we have a continuing need to make further improvements.

I'd like to request that Erik bring along a list of all the Commission decisions and proceedings that have given PG&E funding to revamp its billing system, over, to start, say, the last 10 years. Also the amount of funding authorized. Just a one-page summary would be a good start.

Erik, will you do that?

Steve
