Subject: R.06-04-009 -- revised GHG Calculator and Report Addendum

This message was sent to the service list for California Public Utilities Commission Rulemaking 06-04-009.

Energy and Environmental Economics, Inc. (E3) recently completed revisions to the GHG Calculator and developed an addendum to the report on the Calculator. These revisions adjust the treatment of combined heat and power in the GHG Calculator.

The GHG Calculator was used in the GHG proceeding (06-04-009) as an analytical tool to develop estimates of the impacts of different California GHG policies on carbon emissions, utility costs, and other factors.

The updated Report, an addendum to the report explaining the changes to the treatment of CHP, and the revised GHG Calculator can be found on E3's website:

http://www.ethree.com/public_projects/cpuc2.html
