Just FYI for now (may or may not be serious) - info below from SF Gate @ 2PM.

A natural gas leak has been reported in San Francisco's Castro neighborhood, officials said.

The leak was reported near 18th and Castro streets shortly before 1 p.m. Residents are being asked to shelter in place, and people are being urged to stay away from the area.

Pacific Gas and Electric Co. crews are on the scene. The cause of the leak is under investigation.
