Subject: Re: Extension of time for EE CCA workshop report

Sent on behalf of Barbara George:

To all parties at the workshop on Energy Efficiency and Community Choice held Monday, Sept. 27, 2010:

WEM's notes on the workshop are attached. This is the complete version of my notes, which

have been edited only for clarity. WEM will provide a short version as a proposed workshop report next week.

Please let us know if you have any difficulty opening the file.

Note: We've gotten a bit more than halfway through translating the workshop notes for clarity. The complete version will follow as soon as it is ready. Speakers names and affiliations are noted throughout, but there may have been instances of confusion between Ann Kelly and Anne Premo.
