*** PLEASE DO NOT FORWARD ***

Hi Niki and Sean,

Is this the additional information you are requesting for SunPower HPR III?

Also, please accept the confidentiality declaration submitted with the original SunPower HPR III filing (AL 3661-E) as confidential protection coverage for this attached material as well.

Kind Regards,
Beth

Subject: RE: SunPower HR III Workpapers

Hi Maggie,

I received the updated workpapers for the Sunpower HPRIII PPA (AL 3661-E) with the net market value information. However, the workpapers were missing the Appendix A net market value calculations that we had discussed when making the changes to the Coram workpapers. I have included an attachment with the net market value table taken from Appendix A in the Sunpower HPRIII PPA. As you can see, it is missing information such as the value of the Transmission Adder that would determine the calculation of the final net market value. Could you please send an updated version of the net market value calculation in the form of the attached table. Please email me back or give me a call if you would like to discuss further. Thank you.

Kind Regards,

Niki

Niki

Apologies for that. Attached are the excel Bid Analysis workpapers. As mentioned in my voicemail, this does not yet currently contain the updates for the net market value changes, as that will take additional time to pull together. Please give me a call to discuss.

Thanks,
-Maggie

Subject: SunPower HR III Workpapers

Hi Maggie,

Hope you had a good weekend. I received the Sunpower HR III (AL 3661-E) CD last week. I was going through the files and noticed that there wasn't a file for Bid Analysis workpapers. Could you send them to me as I am reviewing the AL this week. Also, could you please make sure to integrate the net market value changes that we discussed for the Coram project. I will need that information when I am making my analysis. Thank you.

Kind Regards,

Niki
