Hi All,

On second thought, Tuesday 10/12 will not be workable for Zeny and I. So that leaves Wed PM, Thur, or Fri AM. Also, I propose we cancel the Tue 10/12 EE mgmt meeting, and take up any issues that would be on the agenda at the PPM meeting, whenever it is scheduled. Thoughts?

(Note: Jeanne will be on vacation, so Zeny and I will represent ED.)

before draft resolution

Athena, Don, and Shilpa:

We are still in the process of reviewing your response to ED's preliminary proposed PPMs, as modified for any consensus reached at September 20-21 PPM meetings. We are encouraged that this collaborative process appears to be working well. Our review of the IOUs response should be complete by the end of the week.

We are willing to meet with you (just yourselves), as you proposed in your September 30, 2010 transmittal memo. Our understanding is that this would be an in-person meeting here in SF. Please clarify, if not. We think that 3 hours should be sufficient to discuss any remaining points of disagreement.

Here are some possible times to meet next
week:

- Tue, 10/12 - 2-5PM (Note: this would tag onto our monthly EE mgmt meeting scheduled 2-3PM)
- Wed, 10/13 - Anytime (Simon has a 1-1:30PM meeting, but could reschedule if necessary)
- Thur, 10/14 - 9AM - 1PM
-

Fri, 10/15 -
Anytime

Please let us know asap, so that we can block off
our calendars. Thanks!

Subject: RE: Extension of IOU PPM
Submittal until Thur 2/30

Jeanne, Simon and Zeny,

On behalf of the IOUs, please find attached our cover
letter to the accompanying PPM files. There are 2 sets of PPM files,
one that contains all the redlined versions (the IOUs provided their
responses on the versions provided by ED staff after the 2-day PPM
meetings)
and a clean version that removes all the red-lines to facilitate

reading.

I reiterate our offer to meet with the three of you following our submittal to address any questions/issues.

We are committed to providing a decision/resolution at that time to close the loop. We believe this would minimize issues during the AL Resolution process for us.

We appreciate this opportunity to provide feedback on ED's proposed PPMs and look forward to continuing work on finalizing these PPMs.

Regards,

Athena

All,

Zeny and I just talked after Athena and I talked (for a second time). ED is

OK with a one day
extension until Thur, 9/30.

Best,
Simon

Simon, I realized after I spoke to
you that we may not have been on the same page
about which Monday we were
referring to as my intent was to ask for the Friday
extension first and
then see if you were interested in a face-to-face
after that. That is why
I put down the date in my note so we would have
the same point of
reference.

We are expecting the PM staff to complete their
individual program ppms by Sunday. To allow for
adequate internal review
we are asking for the submittal to go to Friday (an
additional 2 days).
The follow up meeting would happen if you thought
that would be helpful in
closing the loop on issues you identify after we
submit the response.

I apologize for the misunderstanding and I hope I have
clarified
our request.

Thank you for the follow-up.

Athena,

When we spoke today at noon, I understood you to be asking something very different. Here is what I heard: The IOUs would submit their response this Monday (9/27), IOU mgmt folks would meet with ED mgmt in SF this Wednesday (9/29), and make real-time decisions, as necessary, at that time. When we originally talked before the PPM meetings, an IOU response by this Wednesday (9/29) was doable. I was/am potentially open to this.

It sounds like you are (1) asking for an extension until 10/1 and (2) asking for additional dialogue at the IOU-ED mgmt level after the extended deadline.

Do I understand what you are now asking correctly? If so, what has changed?

Best,

Simon

Subject: PPM Submittal

Jeanne, Simon, and Zeny,

Monday and Tuesday PPM
meetings were very productive with
all our groups. As of now all the
IOU teams are continuing meetings
to develop and finalizing responses to
complete the templates.

After they complete their work, our
Sr. Mgt will need time to review
and approve our response. Therefore
we are requesting that we submit
our complete response by Friday next
week

(10/1). We (Shilpa, Don and
myself) also offer to meet with the
three of you following our
submittal to address any
questions/issues.

We are committed to providing a
decision/resolution at that time to
close
the loop. We believe this would
minimize issues during the AL
Resolution process for us (not
speaking for other parties).

On
behalf of Shilpa and Don, we
appreciate your kind
consideration.
