I'm including his admin (Glenn) to check on his calendar.

Get better, Don.

Hi All,

On second thought, Tuesday 10/12 will not be workable for Zeny and I.

So that leaves Wed PM, Thur, or Fri AM. Also, I propose we cancel the Tue 10/12 EE mgmt meeting, and take up any issues that would be

on the agenda at the PPM meeting, whenever it is scheduled.  
Thoughts?

(Note: Jeanne will be on vacation, so Zeny and I will represent ED.)

Athena, Don, and Shilpa:

We are still in the process of reviewing your response to ED's preliminary proposed PPMs, as modified for any consensus reached  
at

September 20-21 PPM meetings. We are encouraged that this collaborative process appears to be working well. Our review of  
the IOUs response should be complete by the end of the week.

We are willing to meet with you (just yourselves), as you proposed  
in your September 30, 2010 transmittal memo. Our understanding is  
that

this would be an in-person meeting here in SF. Please clarify, if not. We think that 3 hours should be sufficient to discuss any remaining points of disagreement.

Here are some possible times to meet next week:

Tue, 10/12 - 2-5PM (Note: this would tag onto our monthly EE mgmt meeting scheduled 2-3PM)

Wed, 10/13 - Anytime (Simon has a 1-1:30PM meeting, but  
could

reschedule if necessary)

Thur, 10/14 - 9AM - 1PM

Fri, 10/15 - Anytime

Please let us know asap, so that we can block off our calendars.  
Thanks!

Jeanne, Simon and Zeny,

On behalf of the IOUs, please find attached our cover letter to the accompanying PPM files. There are 2 sets of PPM files, one that contains all the redlined versions (the IOUs provided their responses on the versions provided by ED staff after the 2-day PPM meetings) and a clean version that removes all the red-lines to facilitate reading.

I reiterate our offer to meet with the three of you following our submittal to address any questions/issues. We are committed to providing a decision/resolution at that time to close the loop.

We

believe this would minimize issues during the AL Resolution process for us.

We appreciate this opportunity to provide feedback on ED's proposed PPMs and look forward to continuing work on finalizing these PPMs.

Simon, I realized after I spoke to you that we may not have  
been on the same page about which Monday we were referring  
to  
as my intent was to ask for the Friday extension first and  
then  
see if you were interested in a face-to-face after that.  
That  
is why I put down the date in my note so we would have the  
same  
point of reference.

We are expecting the PM staff to complete their individual  
program ppms by Sunday. To allow for adequate internal  
review  
we are asking for the submittal to go to Friday (an  
additional  
2 days). The follow up meeting would happen if you thought  
that  
would be helpful in closing the loop on issues you identify  
after we submit the response.

I apologize for the misunderstanding and I hope I have  
clarified our request.

Thank you for the follow-up.

Athena,

When we spoke today at noon, I understood you to be asking something very different. Here is what I heard: The IOUs would submit their response this Monday (9/27), IOU mgmt folks would meet with ED mgmt in SF this Wednesday (9/29), and make real-time decisions, as necessary, at that time. When we originally talked before the PPM meetings, an IOU response by this Wednesday (9/29) was doable. I was/am potentially open to this.

It sounds like you are (1) asking for an extension until 10/1 and (2) asking for additional dialogue at the IOU-ED mgmt level after the extended deadline.

Do I understand what you are now asking correctly? If so, what has changed?

Best,  
Simon

Jeanne, Simon, and Zeny,

Monday and Tuesday PPM meetings were very productive with all our groups. As of now all the IOU teams are continuing meetings to develop and finalizing responses to complete the templates.

After they complete their work, our Sr. Mgt will need time to review and approve our response. Therefore we are requesting that we submit our complete response by Friday next week (10/1). We (Shilpa, Don and myself) also offer to meet with the three of you following our submittal to address any questions/issues. We are committed to providing a decision/resolution at that time to close the loop. We

believe  
for this would minimize issues during the AL Resolution process  
us (not speaking for other parties).

On behalf of Shilpa and Don, we appreciate your kind consideration.
