Subject: RE: Updated: PPM - Final mgmt-level coordination meeting

Simon, Zeny,

I'm running a high fever this morning and may or may not make it to the meeting. If I don't cool down, I'll ask Vanessa Anderson and/or Brian Hitson on my staff to attend. They attended the San Ramon sessions and have been working with the teams internally in responding to proposed metrics so they will be able to actively participate.

Thanks for your understanding.
Shilpa

Hi All,

Apparently, Thursday was the only day next week that works for everyone. Don has another meeting at 10:30AM, so we will have to settle for a 1.5 hour meeting (unless Don is able to change his schedule). It sounds like Don will be calling in, although I thought the IOUs had indicated they prefer an in-person meeting. I am fine either way.

Best,
Simon
