See you tomorrow!

Hello,

In the DR I asked for the pre-TOD LCOE for Manzana thinking that the other projects in the list would also have pre-TOD prices. It appears the prices are TOD adjusted which is not really that helpful when comparing it against a pre-TOD Manzana price. Is there a way I can get the DR completed with pre-TOD prices?

Thanks

I really like the formatting for Attachments 1 & 2. Whoever put those  
together did a great job.
