Jane, one more quick question. As I recall, when you provided us the comparison of actual vs. authorized Gas Accord expenditures, you said that you pulled those numbers from various previous Gas Accord applications. From that I gathered that you provide a breakdown of actual expenditures authorized by the CPUC in the previous Gas Accord as part of your next Gas Accord application. Is it true that a breakdown of actuals is provided as part of each GA application? Trying to get it straight for Tuesday hearing. Thanks.

Gurbux, Amrit left a message with Hudson Martin, the head of insurance for PG&E. I also left a message for [Redacted], who is the legal expert on insurance for PG&E. Hopefully one or both of them are in today, and will give you a call. If you don't hear anything by Monday, please let me know,

Jane
