Subject: EEGA phase 1 ready

The site is ready to go: <http://eega.cpuc.ca.gov>. If for some reason it doesn't get switched, users can also connect to the site using <http://162.15.7.100>. You can review now using the IP address.

Attached is a brief user manual for uploading monthly reports.

Here are the usernames and password for the IOUs:

Note: This is just the first phase of the new EEGA site. It's main functionality is to accept your monthly reports and to display your PIPs. Phase 2, 3, and 4 will be rolling out each subsequent month for the rest of the year.

Please confirm that you received this as I requested a "Read Receipt."
