Subject: Re: Tuesday's ED/IOU Coordination Call, Reminder of action item from last  
meeting, and corrections to EEP roster

All,

Jeanne will be out of town. Zeny and I discussed, and we think it makes the most sense to combine this meeting with the mgmt-level PPM meeting to be scheduled next week. Thoughts?

Also, a reminder that I asked the IOUs to coordinate, identify a single lead / coordinator / point of contact for each SW program, and have that person contact the appropriate ED counterpart (per the roster Michelle Thomas recently circulated). None of my staff have heard from anyone. It has been almost a month since my request. Please make it happen as we agreed. Thanks!

Finally, there are 3 corrections to the EEP contacts on the roster:

- New Construction - Add Cathy Fogel to RNC; Add Jordana Cammarata to Commercial NC

- Industrial and Agricultural - Jennifer Finnigan is now the EEP lead for both

- CEI (subprogram) - Lisa Paulo is lead

- ME+O - Terrie Prosper is now the lead (matrixed from our News and Public Information Office)

Best,

Simon
