Shilpa -- I'm copying Jean and would request that she be included in the meeting. We can call you around 2:30 pm if that's okay with you.

Zeny,

I wanted to catch up with you regarding Jean's request for EM&V funding that I believe is due Thursday or Friday. We have some concerns regarding our response and how it will be used.

I left you a voicemail yesterday. Let me know when you are available. I can be reached until 2 PM today and 9:30-10 and 12-3 PM tomorrow.

Thanks.
Shilpa
