**Subject:** DRAFT - Joint CCA Workshop Report

CCA/EE Workshop Participants:

Attached is the Draft Joint CCA Workshop Report for your review and comments. The attached draft was prepared and reviewed by representatives of City and County of San Francisco, Marin Energy Authority, San Joaquin Valley Power Authority, PG&E and Southern California Gas Company. The document should be considered a work in progress and does not represent the final approval of the parties management.

We propose to include an edited version of WEM's workshop summary as Appendix A to the draft, but were not able to complete the edits to include here. That will come early next week.

<< File: Joint Workshop Report\_DRAFT to Participants\_10-15-10.doc >>

We have scheduled a conference call on Tuesday (10/19) from 2-3:30 to discuss the draft and substantive concerns. To facilitate that discussion, please provide any substantive comments to parties prior to the call.

Circulate Final Report draft Thursday (10/23)

File Final Report Friday (10/22)
