Subject: FW: A05 06 028, PG&E SmartMeter Compliance Reports / some questions?

Hello:

I don't seem to be on the mailing list for the monthly reports here.

In any case....on slide 12 of Sept report:

-pls clarify O4 metric "Transition Aging". Is this time from install to meter being automatically read?

-what's the difference between O5 & O7 metrics? they look almost the same in terms of the data.

Thanks.

Alope
