Subject: PG&E's Response to CPSD's Data Request PG&E 01-Question 5 Regarding Gas
Odor Calls

On behalf of Bill Stock (Director-PG&E Regulatory Relations):

Pejman and Bezawit,

Attached are PG&E's partial response to question 5 (field generated tags) of your Data Request PG&E-01 sent to Michelle Wilson on September 17, 2010. As we agreed, the remainder our response to question 5 (contact center generated) will be provided by October 22. Please note that the 53 supporting attachments (**Attachments 1A-1BA**) to the Excel spreadsheet (Attachment 1) provided in this transmittal are voluminous and will therefore be provided on a CD, which I will hand-deliver to you on Monday.

This response contains sensitive personal information pertaining to PG&E employees and customers, including their names and work/resident locations. For this reason, and only for this reason, PG&E is providing this response to CPSD pursuant to Public Utilities Code section 583. The dissemination of customer and employee information contained in this response raises privacy concerns. Therefore, PG&E believes that such information should remain confidential and not be subject to public disclosure.

Please let me know if you have any questions regarding our responses.

Bill
