Subject: PG&E's Supplemental Response to CPSD's Data Request PG&E 01-Question 1
Regarding Gas Odor Calls

Sent On behalf of Bill Stock (Director-PG&E Regulatory Relations)

Pejman and Bezawit,

Attached is PG&E's supplemental response to question 1 of your Data Request PG&E-01 sent to Michelle Wilson on September 17, 2010. PG&E's response to this question was provided on October 1, 2010, with indication that audio recordings of the identified calls could be provided upon request. This supplemental response provides the 5 wav file attachments, which correspond to the calls summarized in PG&E's initial response. Please note that the 5 attachments are voluminous and will therefore be provided on a CD, which will be delivered to you.

This response contains sensitive personal information pertaining to PG&E employees and customers, including their names and work/resident locations. For this reason, and only for this reason, PG&E is providing this response to CPSD pursuant to Public Utilities Code section 583. The dissemination of customer and employee information contained in this response raises privacy concerns. Therefore, PG&E believes that such information should remain confidential and not be subject to public disclosure.

Please let me know if you have any questions regarding our responses.
