It looks like this may be an old spreadsheet as much of the information in column E is out of date. Also, should the recently filed Shiloh III project be included here? It looks like that project is on the ARRA tracking document published by the Renewable Energy Action Team. http://www.energy.ca.gov/33by2020/documents/renewable_projects/Proposed_ARRA_Renewal

Please review the spreadsheet to make sure the information is accurate and that all projects under contract with PG&E are included. Please resend a revised version of PG&E's monthly ARRA update spreadsheet by Friday, October 8.

Feel free to give me a call if you have any questions.

Regards,
Sean
