Subject: A10 03 014, Pacific Gas and Electric Company's 2011 GRC Phase 2

ALJ Pulsifer,

At the end of residential rate design hearings yesterday, you directed PG&E to report on the status of settlement discussions involving marginal cost, revenue allocation and non-residential rate design issues by December 3, 2011. PG&E has consulted with other parties involved in those settlement discussions about the December 3, 2011 date and would request that the date for that report be December 6 instead of December 3. December 6 would provide the parties a better opportunity to prepare the report.

Thank you,

Shirley A. Woo
