Hello Brian:

FYI...in addition to the initial \$5K, we also gave them another \$1K to finish some of their capital project.

Thanks,

[Redacted]

Subject: Hamilton Playground Update

Dear [Redacted]

We have received a \$1000.00 check made to Dr. Carlton B. Goodlett Institute. Thank you so very much for the support as we seek to complete our mission aimed to honor youth of the Hamilton Playground era. With this check we will secure the plaque designed to hang in the entrance of the Hamilton Recreation Center. Approximately 200 names are to be inscribed including that of The PG&E Company.

Please note that an official hard copy letter will soon follow expressing our gratitude to PG&E Foundation for it's support in this endeavor.

The check arrives just as I had received a communication from Mr. Phil Ginsburg, General Manager of San Francisco Recreation and Parks Department today, extending an invitation to meet with members of the Department's Capital and Operations teams to focus on ways to put the Hamilton Kitchen facility upgrade on track. Once I know more in the coming weeks I will circle back to [Redacted] and [Redacted] to let them know where the kitchen

project is headed and how we might move the collaboration forward. Can't tell you how excited I am about how all this is coming together.

I know I can speak on behalf of Mr. Greg Johnson and Mr. Bunny Simon, the major partners in this operation, by expressing sincere appreciation at your participation in diligently working to make this mission come to life.

Thanks again. Have a great Thanksgiving.

Warm regards,

Lance Burton
